

Dear CWM ambassadors,

You are invited to register, and to invite your contacts to register !

Marie-Francoise Roy

Dear all,

We are happy to offer individual free screening of the film "**Picture a Scientist**" through the May12 Initiative, in agreement with [Roco Films](#) (and *France TV Access* for the subtitles in french). The documentary brings three women scientists who lead viewers on a journey deep into their own experiences in the sciences, facing harassment, institutional discrimination, and years of subtle slights.

More details at pictureascientist.com.

The screening is offered with subtitles in several languages (english, french, spanish, portuguese). **Each registered person will be able to watch the film free of charge once between May 12 and 14, 2021.**

To access the film, please register before April 30, on the following webform:

CLICK HERE TO RESISTER !

*If the button does not work, you can copy-past this link in your browser: **MailScanner has detected definite fraud in the website at "forms.gle". Do not trust this website:** <https://forms.gle/Uh5SX6n6pLqsRsuN7>*

You will receive the link by email before May 5. This link is only for you to screen the film, once. Anyone who wants to watch the movie for free during this period can register to receive its own link.

We also encourage you to **organize collective events around *Picture a Scientist*** during or after the screening period **and to register it** as part of the May12 Initiative, so that it appears on the interactive map, using this form: may12.womeninmaths.org/node/add/event.

Enjoy this moving and thought-provoking film!

Wishing health and peace of mind to you and your loved ones,

— *The May12 Initiative Coordination Group*
